

§ 453.24

Bonds should be secured for such persons, in an amount based on the funds handled by their predecessors during the preceding fiscal year, before they are permitted to engage in any of the fund-handling activities referred to in the prohibition, unless coverage with respect to such persons is already provided by bonds in force meeting the requirements of section 502(a).

§ 453.24 Payment of bonding costs.

The Act does not prohibit payment of the cost of the bonds, required by section 502(a), by labor organizations or by trusts in which a labor organization is interested. The decision whether such costs are to be borne by the labor organization or trust or by the bonded person is left to the duly authorized discretion and agreement of the parties concerned in each case.

§ 453.25 Effective date of the bonding requirement.

While the bonding provision in section 502(a) became effective on September 14, 1959, its requirement for obtaining bonds does not become applicable to a labor organization or a trust in which a labor organization is inter-

ested, or to the personnel of any such organization, until the subsequent date when such organization's next fiscal year begins. This is so because the Act requires each such bond to be fixed at the beginning of the organization's fiscal year in an amount based on funds handled in the preceding fiscal year, and it could not well have been intended that the obtaining of a bond would be necessary in advance of the time when it would be possible to meet this requirement.

§ 453.26 Powers of the Secretary of Labor to exempt.

Section 502(a) of the Act provides that when in the opinion of the Secretary of Labor a labor organization has made other bonding arrangements which would provide the protection required at comparable cost or less, he may exempt such labor organization from placing a bond through a surety company holding a grant of authority from the Secretary of the Treasury under the Act of July 30, 1947 (6 U.S.C. 6-13), as acceptable surety on Federal bonds.
